4. Laughter as the National Anthem

Goodbye to the traditional Star-Spangled Banner, and welcome to a new era of laughter. Under a Bernie presidency, the national anthem will be transformed into a comedic masterpiece. Countries around the world might not understand what we're laughing about, but it will certainly lighten the mood at international events.

5. Cheesy Joke Wednesdays

Every Wednesday would become Cheesy Joke Wednesday, where the nation gathers to share their favorite cringeworthy jokes. Bernie would be the host, delivering puns and one-liners that even the toughest critics won't be able to resist. Get ready to laugh until your cheeks hurt!

Instead of the traditional presidential fireside chats, Bernie Sanders will take it one step further. Imagine him sitting comfortably in front of a warm fire, surrounded by adorable puppies. This heartwarming scene would surely melt the hearts of the most hardened politicians, creating a more compassionate and united nation.

7. Official State Snack: Popcorn

Popcorn, the cinema's favorite companion, will become the official state snack under a Bernie administration. During important political debates or national events, every American would be encouraged to enjoy a large bucket of buttery goodness. It's a snack that unites – one kernel at a time.

8. Universal Dispensers of Sarcasm

Ever wished you could have a machine that dispenses sarcasm on command? With Bernie Sanders as president, your wish might come true.

Universal sarcasm dispensers would be installed in public spaces, providing a constant stream of quick-witted comebacks and witty remarks. Be prepared to be entertained!

9. National "Feel-Good" Holidays

Under Bernie's leadership, numerous national "feel-good" holidays will be established throughout the year. These holidays will focus on spreading positivity, practicing random acts of kindness, and giving out free hugs. Who needs a day off when you can have a day filled with happiness and warm fuzzy feelings?

10. Free Mustache Grooming for All

Those who struggle with maintaining facial hair rejoice! A Bernie Sanders presidency promises free mustache grooming services for all. Expert mustache stylists will be available in every town, ensuring your facial hair is always on point. Say goodbye to those unruly mustache days!

While this article was purely satirical, it's essential to remember that voting for a presidential candidate should be based on their policies, qualifications, and overall vision for the country. Bernie Sanders has been known for his progressive ideas, such as affordable healthcare and income equality, which have garnered significant support. Remember to always stay informed and engage in thoughtful discussions when making your decision.

I originally wrote this during the 2020 election cycle. It's a satire, a spoof on Bernie Sanders and his political ideology. Two years later and a year after Joe Biden sat himself down in the White House (notice I didn't call him the President), I re-read the book and was kind of amazed at how much of my satire had come to pass.
