In *Beautiful Lies*, Ridley Jones stepped off a street corner and into an abyss of violence, deception, and fear. Now, she is just trying to get on with her life when another seemingly mundane act--picking up some prints at a photo lab--sends her on a mission to find a ghost from her past. A figure of the same man appears in too many pictures she's taken in the last year, lurking just far enough away to make identification impossible. But, she is not the only one who wants to know who the man is, and soon finds herself in the middle of a deeper investigation and unsure who to trust.

The only thing Ridley knows for sure is that she has to get to the truth about herself and her past if she is ever going to find her way home.
