Follow these simple steps to crochet your very first Granny Square:

1. Create a slip knot and place it on your crochet hook.
2. Chain four stitches and join them to form a ring by slipping stitch into the first chain made.
3. Create a solid square by working three double crochet stitches, three chain stitches, and three double crochet stitches all within the ring.
4. Continue working the square by alternating between three double crochet stitches and three chain stitches until you achieve the desired size.
5. Join the last stitch to the starting chain with a slip stitch to complete the first round.
6. Continue crocheting additional rounds in the same manner, increasing the number of double crochet stitches and chain stitches as needed to maintain a square shape.
7. Once your Granny Square reaches the desired size, fasten off and weave in any loose ends.
