Grayson Mackleroy is probably going to regret this.

He's regretted a lot of things in his life. Not standing up to his dad, not moving away from Rosewood when he had the chance, but none of them come close to his biggest regret.

Not making Nora Mason his the second that he laid eyes on her.

Now too much time has passed and while he's been in love with her since he first saw her in the third grade, she sees him as nothing but a best friend and roommate.

Or does she?

Will pursuing Nora ruin everything? Or will he finally get the happily ever after that he's been dreaming about ever since he first laid eyes on her?
