'Jodi Taylor does it again. A brilliant yomp through history' - Reader Review

You can't change History. History doesn't like it. There are always consequences.

Max is no stranger to taking matters into her own hands. Especially when she's had A Brilliant Idea. Yes, it will mean breaking a few rules, but - as Max always says - they're not her rules.

Seconded to the Time Police to join in the hunt for the renegade Clive Ronan, Max is a long way from St Mary's. But life in the future does have its plus points - although not for long.

A problem with the Time Map reveals chaos in the 16th century and the wrong Tudor queen on the throne. History has gone rogue, there's a St Mary's team right in the firing line and Max must step up.

You know what they say. Hope for the best. But plan for the worst.
