### **Unveiling the Alluring world of Aristocratic Society: A Forgotten Gem**

Prepare yourself for a journey through aristocratic society like never before! From the very first page, "Manners and Monsters" sweeps readers into a world of opulence and protocol, filled with masked balls, grand estates, and secret societies. Wallace's extensive research and attention to detail shine through, making every scene feel authentic and transporting readers back in time.

Follow the enigmatic Lady Annabella Price as she navigates the complexities of London's high society, grappling with dark family secrets and societal expectations. Unbeknownst to her peers, Lady Annabella possesses a unique ability to see through the glammers masking the true nature of the supernatural beings hiding in plain sight.

Wallace's eloquent prose captures the essence of the era flawlessly, whisking readers away on a journey where elegance and refinement meet mythical creatures and haunts. The vivid descriptions transport readers to extravagant balls and take them on clandestine adventures, providing an unforgettable and immersive experience.

### **A Charming Cast of Characters That Will Steal Your Heart**

One of the strengths of "Manners and Monsters" lies in Wallace's ability to create complex and compelling characters. Lady Annabella Price, our fearless protagonist, is a headstrong and intelligent woman trapped within the confines of society's norms.

Readers will find themselves drawn to Lady Annabella as she defies expectations and grows in both strength and resilience throughout the novel. Her fierce determination and witty banter make her a truly formidable heroine, capable of facing both monsters and the confines of societal expectations head-on.

Additionally, the supporting cast adds depth and charm to the story. Lord Archer Stanton, a charismatic and enigmatic figure, adds an air of mystery and intrigue. His interactions with Lady Annabella are filled with tension and chemistry, leaving readers eagerly anticipating their next encounter.

Furthermore, the book introduces a multitude of fascinating mythical creatures, each with its own rich backstory. From mischievous fairies to brooding vampires, Wallace's meticulous attention to detail ensures that every creature is fleshed out and contributes to the overall tapestry of the story.

## **An Imaginative Blend of the Victorian and Supernatural**

What sets "Manners and Monsters" apart is Wallace's ability to seamlessly merge the genteel world of the Victorian era with the mysterious and fantastical. The contrast between society's expectations and the dark underbelly of the supernatural world adds depth and intrigue to the narrative, making it a compelling read for fans of historical fiction and fantasy alike.

The inclusion of supernatural elements adds a layer of excitement and suspense, amplifying the stakes and driving the plot forward. Wallace masterfully balances the intricate rules of aristocratic society with the hidden world of monsters, creating a delicate dance between proper behavior and dangerous secrets.

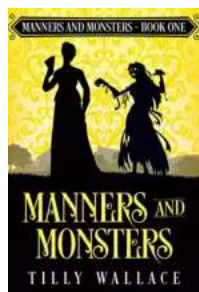

## **A Page-Turner that Transcends Genre Boundaries**

"Manners and Monsters" effortlessly combines the best elements of historical fiction, fantasy, and romance, creating a unique reading experience that transcends genre boundaries. Whether you are a fan of Jane Austen, Bram Stoker, or Sarah J. Maas, this captivating novel has something to offer every reader.

With her enthralling prose, Tilly Wallace has woven a compelling tale of elegance, adventure, and supernatural intrigue. "Manners and Monsters" is

a book that will transport you to a world that is equal parts enchanting and treacherous, leaving you desperate for more.

A lady never reveals the true extent of her decay...

Hannah Miles lives a quiet existence, helping her parents conduct research into a most terrible affliction - until a gruesome murder during her best friend's engagement party pulls her from the shadows. With her specialist's knowledge and demure disposition, Hannah is requested to aid the investigation.

Except Hannah discovers her role is to apologise in the wake of the rude and disgraced man tasked with finding the murderer. The obnoxious Viscount Wycliff thinks to employ Hannah purely as a front to satisfy Whitehall, but she'll have none of that.

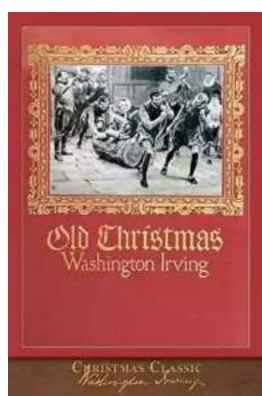

The two must work together to find the murderer before the season is

ruined. But the viscount is about to meet his greatest challenge, and it's not a member of the ton with a hankering for brains.
