□ □ □ □ □ ENEMIES. LOVERS. A DEADLY HUNT. □ □ □ □ □

FBI Agent Paige Daviess is good at what she does. Her appointment to the best FBI division in the country is proof of that. She makes a difference, protecting vulnerable children from the same horrors she'd faced when she was young. Paige will do the same with this latest local case she's been assigned.

Paige looks at the victims and sees herself in each of their faces. No one had been there to protect those girls, anymore than someone had been there to protect her when it had mattered most.

Now one of her past horrors has returned to haunt her, even as she tries to find the answers. He wants to take from her everything—and everyone—she loves. He intends to make her suffer while he does it. Paige's only hope is the one man who has always made her question her worth as an FBI agent since the moment she met him.

□ SHE GETS UNDER HIS SKIN COMPLETELY. □

Internal Affairs supervisor Mick Brockman lives by the rules. Rules kept agents in the field safe. Kept them alive. Mick knows far too intimately what happens when an agent goes off the rails. People get hurt. Sometimes they get killed. He's dedicated his life to making certain that the rules are followed, and the agents in PAVAD are kept as protected as he can make them.

No one gets under his skin like his younger sister's partner, Paige Daviess. The woman is far too reckless for the FBI. She belongs behind a desk—where she can't draw trouble her way so effortlessly.

But as the killer gets closer, it becomes clear that his agenda has been to get to Paige all along. Mick will stop at nothing to keep Paige safe from the past that threatens her once again.

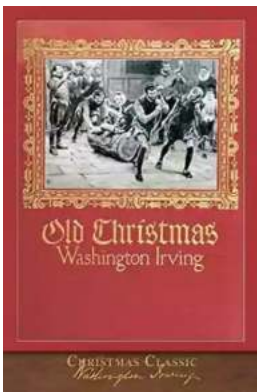

Even if it means breaking the rules he prizes so much...
