How do you save the woman you love?

You walk away.

Finn: When my father threatened to destroy Libby's family, I gave him the only thing he wanted: my promise to never see her again.

But four years later, I'm still dreaming of her...craving her.

And because karma really does come around...now I need her more than ever. Thanks to a vicious public outburst, my father's entire company—our company—is being dragged through the dirt. I want to stand back and let him suffer, but if he goes down, hundreds of our employees will be out of jobs. The company needs a major image overhaul, and Libby? Her children's therapy program needs a major cash infusion. It's perfect, right? She gets the money she needs. We get the good publicity. I know I can strike a deal to save us both.
