When Wolf Black shows up, I start to think maybe knights in shining armor aren't just for fairytale princesses. If only I can live long enough to find out.

Just when I manage to get away from the island and start my quest for a normal life outside the bubble of my father's rule, I get blindsided. By Wolf Black.

I don't know if it's the ripped body, the bad-boy vibe, or the kiss that melt's my everything... but I've lost my mind. Yep. Blindsided. Ovary overload.

Total brain cell knockout.

Oh wait, it wasn't him that blindsided me first. It was the otherworldly gemstones that have been hidden in my family for decades, and the threat of unrest on my island.

Wolf comes to my rescue. But can I trust the man who steals my breath with a kiss with all the dangerous secrets that I know?

Wolf Black

Nobody said the job description at Agile called for getting married. Breaking into a Palace. Chasing a mysterious relic around the globe. Or giving up my heart.

I thought when I got out of the SAS my life was going to be nice and simple. Now, I'm thinking I should ask for hazard pay. Nothing prepared me for Kate. And by the time I figure that out, it might be too late.

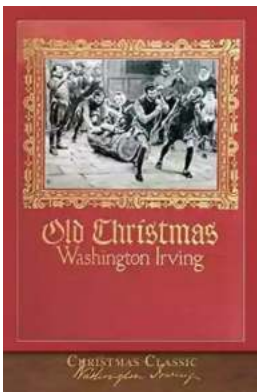

Forbidden Knight is a light-the-pages-on-fire romance with a gorgeous former SAS soldier and a strong willed royal that is determined to save her island, even if it puts her life on the line. Wolf's not only her chance at living, but the Happy Ever After she's always dreamed of. This is a standalone or can be read with the other Agile Security & Rescue books. No cheating and no cliffhangers.

Get ready to curl up with Wolf and Kate, the unlikely lovers, for their wild ride to forever togetherness.
