Mariah -- I knew my dad, a Dixie Reaper, wouldn't understand why I wanted to date a cop. It's why I'd planned to elope with Ty, until it all went so very wrong. My dad caught me, tossed me into the car, and drove me

hours away to the Devil's Fury. I didn't know he'd already promised me to someone else. Savage. The Devil's Fury MC Treasurer. A man who set butterflies loose in my stomach at first sight.

The man might have claimed me as his, but he runs every time we're in the same room together. I can't tell if he's just that turned off by me, or if there's another woman. Whatever it is, he either needs to let me go, or make me his -- in all ways. I just never expected the surprise left at the gates, and the way it would make my heart break, or the fact my ex would be a lunatic. I should have known life would throw me a curveball. Or two. Nothing is ever easy.

Savage -- Claiming a woman sight unseen didn't seem like such a bad thing. It wasn't like I had anyone I wanted to settle down with. The fact she's two decades younger than me might have given me pause at one point, but not anymore. Then she arrives, spitting and hissing like an angry kitten. I try to do the right thing and give her time. Except clearly that was the wrong thing to do.

I'll make her realize she's the only one I want, claim her in every way possible, but first... I need to take care of business. The dirty cop who preys on women and children will be taught a lesson he won't soon forget. Should have known the daughter of a Dixie Reaper wouldn't shy away from getting her hands dirty and wouldn't need saving. Not sure how I got so lucky to call her mine, but I'm holding on tight to Mariah. She's the best thing to ever happen to me.

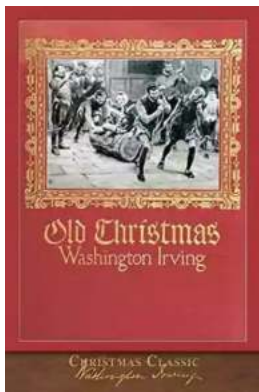

**WARNING:** Savage is part of the Devil's Fury MC and contains bad language, adult situations, dark content, and violence some may find

difficult to read. But there's a guaranteed happily-ever-after, no cliffhanger, no cheating, a super cute little girl, and some adorable kittens.
