

# The Waiting Room And The Christmas Present: A Heartwarming Tale of Hope and Joy

Once upon a time, in a small town nestled between snow-capped mountains, was a hospital that stood as a beacon of hope and healing. Amid the hustle and bustle of the holiday season, the waiting room of this hospital became a sanctuary of anticipation where lives intertwined and miracles thrived. Little did the visitors know that in this very place, the greatest Christmas present of their lives awaited them.

## A Place of Hopes and Dreams

The waiting room was a microcosm of the world outside its doors. From the weary elderly couple clutching each other's hands tightly to the young parents anxiously awaiting the birth of their first child, it was a place where emotions ran high and dreams hung in the air. Each person had a story, a longing, and an unspoken prayer tucked away deep within their hearts.

Among the sea of faces, there sat a little girl named Emily. Her big doe eyes sparkled with innocence and wonder as she clutched her teddy bear close. Emily was no ordinary child; she was battling a grave illness that had stolen her strength and confined her to a wheelchair. Yet, her spirit remained unyielding, and her radiant smile lit up the room.

## A Season of Sharing

Christmas had always held a special place in the hearts of the hospital staff, and they made it their mission to bring a flicker of joy to those who needed it most. Every year, they adorned the waiting room with twinkling lights, adorned trees, and festive decorations, transforming it into a magical wonderland. The atmosphere was a testament to the enduring power of the holiday season, instilling a sense of hope in the hearts of all who entered.

One day, a mysterious figure arrived at the hospital, bearing a sack filled with gifts. The staff eagerly whispered among themselves, wondering who the good Samaritan could be. They had no idea that this stranger held the key to unlocking the dreams and wishes of those in the waiting room.

## Unwrapping Miracles

The stranger met with the hospital staff and shared their desire to bring joy to those enduring difficult times. They had a unique ability to sense the deepest desires of each person's heart and planned to make their dreams come true. The staff, intrigued and filled with curiosity, agreed to assist this stranger in their mission.

First, the stranger approached the elderly couple, Arthur and Beatrice. Together, they had weathered the storms of life but had always dreamt of one day renewing their wedding vows. With a twinkle in their eyes, the staff arranged for a small ceremony in the hospital chapel, inviting their loved ones to witness their everlasting love. Through tears of joy, Arthur and Beatrice exchanged heartfelt vows once again.

Next, the stranger turned their attention to the young parents, Michael and Sarah, awaiting the arrival of their bundle of joy. As the magical day arrived, the hospital staff transformed the delivery room into a winter wonderland, complete with snowflakes hanging from the ceiling and a soft lullaby playing in the background. The couple's hearts swelled with happiness as they welcomed their beautiful baby girl, Chloe, into the world.

But the greatest surprise was yet to come. Emily, the little girl in the wheelchair, had always yearned for the ability to walk and play like other children. The stranger approached her with a twinkle in their eye and whispered a secret promise. Days later, Emily found herself taking her first tentative steps with the help of a special prosthetic leg. The room erupted in applause and tears of joy as Emily's dream became a reality.

## **A Tapestry of Love and Hope**

As the days turned into weeks and the weeks into months, the stories of hope and joy continued to unfold in the waiting room. The stranger had woven a tapestry of love and inspiration that touched the lives of all who passed through its doors.

## **The Waiting Room and The Christmas Present**

Waiting on God is an essential Christian value. Sometimes doubt creeps into our hearts and we become discouraged. Discouragement opens the door to anxiety, grief and uncertainty-these together bring about suffocation. The Waiting Room is a play that reveals a man's effort to find a greener pasture that eventually leads him to an unhealthy relationship, thereby putting his home at risk of collapse. The play also pursues a cultural theme that encourages the exploration of other cultures.

The Christmas Present reminds us of how easy it is to get so wrapped up in daily duties and so-called obligations that we forget about relationships and people who need us and what we can give. All the frantic impersonal activity will someday pass away, but what we do for people in Christ's name will last forever and yield eternal results.
