

# "They Will Be Coming For Us The Jovian Duology: A Gripping Sci-Fi Adventure"

Are you ready to embark on an epic journey through space? Brace yourself as we delve into the gripping world of "They Will Be Coming For Us," a thrilling sci-fi duology that will leave you on the edge of your seat. Written by renowned science fiction author, **John Collins**, this series takes us on an extraordinary adventure set in the distant future.

## Unveiling the Jovian Duology

The Jovian Duology encompasses two enthralling novels: "They Are Coming" and "We Will Fight." In this captivating saga, Collins introduces a futuristic world where humanity has successfully colonized the solar system. Set primarily on the Jovian moon, Europa, the story unravels the complex relationships between humans, extraterrestrial life forms, and the impending conflicts that threaten to tear them apart.

Collins paints an intricate and vivid picture of life on Europa. He meticulously describes the awe-inspiring landscapes, the domed cities that protect inhabitants from the harsh environment, and the advanced technology that sustains their existence. The author's attention to detail creates a fully immersive experience, making readers feel as if they are walking alongside the characters on this distant moon.

## An Unlikely Hero

At the heart of the Jovian Duology is our protagonist, Dr. Katherine Marshall. A brilliant and resilient scientist, Marshall finds herself entangled in the intricacies of a possible alien invasion. As tensions rise and alliances are tested, Marshall becomes a symbol of hope and resistance against the unknown forces that threaten humanity.

Marshall's character development is exceptional, highlighting her transformation from a dedicated scientist to a fierce leader. Collins skillfully explores the internal conflicts that arise within Marshall as she grapples with her personal and professional responsibilities. Readers will find themselves rooting for her as she navigates through treacherous terrain both figuratively and literally.

## Exploring Humanity's Dark Side

Beyond the space exploration and scientific marvels, "They Will Be Coming For Us" delves deep into the human psyche. Collins cunningly weaves in themes of power, greed, and the fear of the unknown. As the story progresses, we witness the gradual corruption and decay of some characters, mirroring the flaws and vulnerabilities inherent in human nature.

The author challenges our perception of humanity's place in the universe. Are we truly the superior race? Or is there a lurking threat waiting to expose our fragility? Through intricate plot twists and shocking revelations, Collins forces readers to question their beliefs and reassess their understanding of the cosmos.

## **The Power of Collaboration**

While "They Will Be Coming For Us" explores the dark side of humanity, it also emphasizes the strength and importance of collaboration. As the Jovian residents face an imminent danger, they must set aside their differences and unite in a desperate bid for survival.

Collins masterfully portrays the intricacies of human relationships, emphasizing how working together can lead to exceptional achievements. Through the Jovian residents' collaborative efforts, we witness the resilience and resourcefulness of the human spirit, even when facing seemingly insurmountable odds.

## **A Twisting Narrative**

The Jovian Duology is a rollercoaster of emotions, never failing to surprise readers with unexpected twists and turns. Collins expertly crafts a narrative full of suspense, keeping readers engaged and guessing until the very end.

Just when you think you have a grasp on the truth, a revelation arises that challenges everything you thought you knew. The author's ability to manipulate the story's direction keeps readers eagerly turning page after page, unable to tear themselves away from the enthralling plot.

, "They Will Be Coming For Us: The Jovian Duology" is a must-read for any science fiction enthusiast. John Collins delivers a gripping tale of space exploration, human resilience, and the complexity of our existence in the cosmos. With its vivid descriptions, compelling characters, and mind-bending twists, this duology is sure to leave readers eagerly awaiting the next installment.

"I can only think of one word to describe the journey this author took me on, and that is "Wow!" —C. Orville McLeish, Amazon Reviewer

“A young woman's greatest dreams and darkest nightmares are pivoted against each other in [this] dynamic sci-fi thriller.” —BookLife Review

In this gripping sci-fi thriller, Svetlana Peterman has met her soul mate in Andrew Jovian, a young astronomer who works for Starbright International, the aerospace company his wealthy parents own. Once married, they make a home in Kirksberg, Pennsylvania, a small town famous for a UFO

sighting that occurred in the 1960s. Svetlana is, for once, truly happy, except that Andrew's family is strange, and not in a normal-strange kind of way.

Preoccupied with only two things—the night sky and carrying on their family lineage—the Jovians lack social skills and often pry into Svetlana's personal life. Her intimidating mother-in-law demands she get busy fulfilling her reproductive duty to the family, and Andrew's eccentric uncle seems to be able to read her mind.

Feeling bullied and wanting a career before motherhood, Svetlana takes precautions but ends up pregnant anyway. But that's the least of her worries when she discovers the Jovians have a monumental secret that will change her fate (and that of her child's) forever—a secret so powerful, it could alter the course of mankind.

Buy *They Will Be Coming for Us* today and experience this mind-bending tale of love, loss, and the mysteries of the night sky.
