Diego Figueroa and his crew are stealing cargo containers on the storm-ravaged island of Puerto Rico. At first, they did it to feed and clothe a desperate population. Now, they're doing it for profit. Dark Water Research

discovers the police are being paid to turn a blind eye to the situation, they call in their troubleshooter, Ryan Weller. When Ryan finds a repainted DWR container about to be shipped off the island, he devises a plan to track it with GPS. However, Diego springs his own trap, a near deadly ambush that leaves a cop wounded and Ryan on the run. There's only one way for him to stop the thieves and that's to run headlong into trouble no matter what the consequences.
