Their discovery changes everything.
It must be suppressed.

Click now to rejoin the adventure!

Cosega Storm continues from the frightening final seconds of Cosega Search, the series' first book. Gaines and Asher, caught in a storm of deceit, corruption and power, desperately struggle to escape. But running isn't enough. They must piece together the mystery of Clastier's life, understand the incredible artifacts, and somehow discover what links them all together.

What really happened in the past, and how will it change the future? As each extraordinary secret of the Eysen is revealed, the danger escalates.

The more Gaines learns, the less he knows who he can trust. But his most difficult challenge is the paradox of the Cosega Sequence. Failing to decode it in time will cost him his life, yet succeeding means he must die.

Discover enough of the past . . . you may just destroy the future.
